Subject: Draft Research Area i. Template and ii. Example
Attachments: Research Area Description Template 10-23-2018.docx; Research Area Description Template EXAMPLE 10-23.docx

JOZ, DDD,

Attached please find for your review the i. draft Research Area Template and ii. draft Example. This is in response to the EC request from last week to populate the template. I am looking for your expeditious comments prior to this going back to the EC for their review (hopefully this week), with a goal of i. being the basis for the Output-Product efforts of the Research Area Teams, and ii. feeding into the data fields relevant to RAPID and a revised RMS2 (Jerry needs this by end of October in final form).
